01. Preface

The Company believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behavior. Towards this end, the Company has adopted the Tata Code of Conduct (“the Code”), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the employees in pointing out such violations of the Code cannot be undermined. There is a provision under the Code for employees to report violations, which states:

The Management encourages every employee of the company to promptly report any actual or possible violation of the code or an event he/she becomes aware of that could affect the business or reputation of the company or any other TATA Company.

Accordingly, this Whistle Blower Policy (“the Policy”) has been formulated with a view to provide a mechanism for employees of the Company to approach the Ethics Counsellor / Chairman of the Audit Committee of the Company. The above said Policy is also the ‘Vigilance Mechanism’ of the Company as envisaged under Section 177 of the Companies Act, 2013 and the Rules framed thereunder.

02. Scope

This Policy is an extension of the Tata Code of Conduct. The Whistle Blower’s role is that of a reporting party with reliable information. They are not required or expected to act as investigators or finders of facts, nor would they determine the appropriate corrective or remedial action that may be warranted in a given case. Whistle Blowers should not act on their own in conducting any investigative activities, nor do they have a right to participate in any investigative activities other than as requested by the Ethics Counselor or the Chairman of the Audit Committee or the Investigators. Protected Disclosure will be appropriately dealt with by the Ethics Counselors or the Chairman of the Audit Committee, as the case may be.

03. Date of commencement:

This policy came into operation with effect from 8 May 2006 on being adopted by the Board of Directors of the company.
